

I ask that I be treated like other inmates.

I ask that I be searched as random as an average inmate; or even above average but not targetted in so many excessive searches and MORE important is that I not be disrespected mistreated and discriminated against during the searches.

Holding the arms for prolonged periods of time is an Abu Ghraib tactic not something done on the soil, my country.

On my way out of the doors an african inmate with long dreads said to me WHY ARE THEY DOING THIS TO YOU?

I shrugged my shoulders and walked away.

I ask that this and similar tactics halt immediately and that because of this and similar tactics used by the 'majority' of Three Rivers staff that I be transferred to a camp prison in my region with inmates of my custody level.

Part A- INMATE REQUEST On Sat. 8/25/07 (12) days of being on Three Rivers compound around 8:30pm walking back to my unit from the yard I bumped into inmate Karlton Costly #20439-179 who I noticed from Friday Islamic services because he is the one who called for the prayer. I greeted him and continued to walk next to him until we reached LO unit he turned to the right to LOB and I turned left to LO. The next evening inmate Karlton approached me telling me after count the C.O. working their unit that evening from 4pm-11pm pulled him out of his cell after everyone was locked down for the 10pm count and informed him (he will not like see him in any trouble) (that I'm bad news) (to stay away from me). He continued to work that unit through the term even after I informed both the captain and warden of this matter. He later told my previous bunkie Eric Veracruz that he should <sup>be on the</sup> look out <sup>from</sup> me because I'm dangerous terrorist and either (bin ladin) or one of his men. Everytime I pass him he stares me down, sometimes he smurks. Other inmates told me of similar statements by other CO's. Most asked me and made me promise they remain confidential! I asked inmate Karlton to inform the CO's superiors of this incident but he said they did not want to hear it. I asked him in particular because he was willing to come forward and not afraid

WHY IS A CO OR CO'(S) going around with such statements only 12 days after I hit this compound?????

On Aug. 27, 2007 I spoke to Three Rivers Captain after lunch.

When nothing was done I spoke to the warden of Three Rivers on Aug. 31, 2007!

I then went to my cell and wrote and sent him lengthy 5 page letter(front and back).

I did not hear from him again.

I therefore ask that this and similar matters I been going through since I hit this compound be looked into.

I also ask that I be transferred to a camp because I have 4 or 6 custody level points and that is where I belong with inmates of my level away from the vicious tactics used against me in Three Rivers.

I also ask that the camp be in my region so my ill mother may Allah bless her can visit me.

I also ask that no retaliatory tactics be used against me making my life any more miserable by the Three Rivers staff for exercising my right to file this complaint.

~~2/22/08~~ 2/22/08

\*Enclosed a statement written by Inmate Karlton Costly #20439-179 testifying to what the CO had informed him.

\*Enclosed is the written statement.  
I did not note the officer as Miller-Kelley stated because he never wears a name tag. Have your officers wear the name tags as they should then come asking me for names.  
I have documented the date and time where he worked and you should go to your records and pull it out or show me their pictures and I will tell you who it is.

Part A- INMATE REQUEST

On Friday Aug. 24, 2007, approximately 10 days after hitting Three Rivers FCI compound inmates approached me to tell me the (TALL A & W) was in their unit asking them if I attended Friday Islamic Services and what I did in them.

He was asking due to his ignorance another Muslim sect.

Why would a A & W go into units asking inmates such questions?

There are cameras throughout the entire chapel to monitor!

Those type of tactics are to harass me, instill fear in the inmates from hanging around me, or talking to me.

This is the kind of activities Three Rivers staff does to me noting this was no ordinary C.O. but rather the A & W himself and 10 days after being on the compound?!

I ask that these and similar tactics halt and that I be transferred to camp my custody level in my region and that no retaliatory tactics be used against me filing this complaint! I attempted to resolve this by speaking to the capt and warden on 8/27/07 and 8/31/07 and writting a lengthy letter but nothing was resolved.

2. What action are you requesting to resolve your complaint?

That the tall A & W be fired and reprimanded. He has no business being on this compound 10 days after I hit the compound arising the suspicion of being a fish around for informants who are easily manipulated by staff.

3. What have you done and who have you spoken to regarding your complaint?

On 11/27/07 at the 7pm move I was heading to my unit LOA when a friend slowed me down to ask or tell me something. As we paused for seconds before he left to his unit and I headed to mined Officer Wong flashed his flashlight in my eyes and said keep going don't stop. I had barely stopped but that's not the main issue.

This is to document how staff target me. Officer Wong did not tell 3 other groups not far from us to keep walking or flash his light.

Policy that you need to keep walking should be enforced upon all not just me.

It's not my concern that other inmates hang out or what they do but I always mention that because that's how you prove targetting and discrimination.

On 11/28/07 the follwoing day around the same time I did push ups on the sidewalk towards the fence as I seen many other inmates do all the time. The two pickups suddenly stopped in a middle area and got out of their cars. The white officer told a group in front of me(HEY YOU WITH A BEARD COME HERE. Dont do push ups on the sidewalk!)

The inmate said (I did not) Then Wang or Wong told the officer its me I was right behind them. The white officer kindly asked me if I did push ups and I said

He replied (Dont do them on the sidewalk no more)

Notice from that that another inmate at that same time was walking on that same sidewalk.

But evidently they were <sup>only</sup> ~~not~~ looking for a (MAN WITH A BEARD)!.

Again I don't care that another inmate was walking on the sidewalk but that shows targetting and discrimination/.

Officer Wong also denied me to work in the yard when I first got here.

I sent him numerous cop-outs and spoke to him to let me work the yard in Aug of 07 but he would shrug his shoulders and walk away.

I had a freind who worked the yard even try to convince him and sent him a cop out with him but he refused.

In fact he hired many others right after that and I was not hired.

Matters like these need to be documented for further and future purposes.
